**\*\*\*\*\*Message from director:**

**We had a great weekend with the Panther Band. The band earned a 1<sup>st</sup> Division at the BOA Super Regional (1<sup>st</sup> time since 2013) and moved up to spot 25 in class. This was a huge stride for the band and they finished the season with pride and class!**

**KSAT 12 came out to cover BOA and did a great story featuring our kids. The link is on our website under Recent Posts. It will make you super proud.**

**The OC Percussion participated in the South Texas Drumline Contest and finished in 4<sup>th</sup> Place and won Outstanding Tenor Drums Caption. Congrats to Mr. Garza and OC percussion. They had a fantastic performance to end the year.**

**We will try round two of Senior recognition at the Judson game. Once again if not working the game parents will need to purchase tickets and we will introduce everyone at halftime.**

**If we win then week by week we will post game and rehearsal schedules. Though we all realize notification is week to week we expect all the students to continue to represent their school and community as the playoffs continue. It will be a fun ride!**

**I am still working on an end of season reflection and summary. Our kids, parents and staff truly had an incredible year to reflect on and be proud of!**

**See you at the Judson Game...**
