

RBC MUSIC DAY!

The band directors will be at RBC Music on Wednesday December 27th from 2-4 pm. We will be there to help students pick solos and or ensembles for UIL Solo & Ensemble Contest that will be held the 3rd week of February at OHS. We encourage all of our students to challenge themselves in this great event. Each class will perform in a class ensemble and can ALSO do a solo and/or a small ensemble on top of that. 9th graders can do a class 3, and 10-12th graders must do a class 2 or 1. We will be there to guide on the 2nd but students can go at ANYTIME over the break. The solos are very organized by instrument and class in boxes. The class categories are basically set by length and technical ability. The students do purchase their own solos/ensembles and they can range from \$3-\$15. The class 3 tends to be less expensive and prices go up from there. The solos/ensembles do have to be on an approved UIL LIST. That is something we can help with but if you go on another day just ask a salesman for help. Take advantage of having your directors there to help make a decision that will get a solo the student will like and enjoy working on. If a student has a private teacher they can guide as well. If you get lost or have questions feel free to call Mr. Sandoval at 210-286-5352 when you go to RBC. RBC is one of the largest music publishers in the U.S. so there will also be all kinds of sheet music for students to look at! SEE YOU THERE.
